This is a Training Course for teams & individuals ministering God's healing in line with Mark 16:17-18. This includes healing as a tool of Evangelism.

This course emphasises the "How-to's" as most people learn by doing. It also investigates a number of Biblical ways healing should be approached.

Courses in Africa, New Zealand, Britain, 4 provinces in Canada, 10 states in USA & 4 states in Australia have seen healing for many bad backs, total hearing loss restored, diabetes-related blood-sugar levels reversed, eye-sight restored & much more.

More importantly, regular healing services have begun in many of those churches, as the grace of God is extended to local communities, and as equipped and accountable Christians are released.

Churches which have hosted Jubilee on four continents include: Anglican, Assembly of God, Baptist, Open Brethren, Salvation Army, Lutheran, Churches of Christ, Christian Churches NZ, Uniting, Presbyterian, Mennonite, Episcopalian, Methodist, Christian Outreach, Christian Revival, New Life, Apostolic, Elim, Christian International, Vineyard, Pentecostal Assemblies Of Canada, Bethesda, Showers of Blessings, Christian & Missionary Alliance, Christian City, & Four Square, plus many independent churches.
