**Biblical Protocols to Deal with Principalities & Powers**

Prayer Walking in India has seen whole suburbs come to Christ in weeks. One single day, this year, saw 253,067 people baptised into God's Kingdom in that nation.

It is time for New Zealand. Now is not the time to go AWOL. This is your call to arms.

**THERE'S A WAR ON!**

No one can remain neutral. Each of us is conscripted to one side or the other. You will either be a victor, or a casualty!

This practical training course is aimed to equip Christians on the nature and scope of this war between the Creator God, and his attempted usurper, satan.

The goal for both sides is global domination. There is no second-place.

Satan's side will use corruption, deviance, fear and death.

God's side will use the power of the Cross, the Name and Blood of Jesus Christ (Yeshua Ben Yahweh) and the correct use of the Word of God to set captives free.

Jesus stated that He will return for His Bride. **Are you a part of that Bride?** If so, then you are called into The Great Commission (Matthew 28:18-20) and to disciple others. Liberating people and whole communities, removing corruption from politics, business etc., setting people free from drugs, sexual and other addictions. You can achieve this in your street and community. God's Kingdom will then be increasingly evident.

Jesus intended every follower of His to participate. Those who don't fight will not receive the spoils of war: Souls!
